

# GNZ-Sailplane Racing Committee

## *Summary of rule changes for 2018/2019 Season..*

1. Racing Class Sailplanes may now be ballasted to their Maximum All Up Weight.
2. Time Based Horizontal Airspace buffers have been introduced
  - A Horizontal Buffer Zone of up to 2 minutes is allowed at the edge of controlled airspace.
  - Aircraft will be penalized immediately upon entry to airspace
  - Penalty is 25 points per minute if the aircraft leaves within 2 minutes.
  - Penalty is 50% of winners score if aircraft remains in airspace for longer than 2 minutes.
  - Repeated and/or extended misuse of Airspace buffer zones may receive additional penalties at the discretion of the Contest Director.
