## **Drury Gliding Mini-Course**

---

*Russell Thorne*

Interest is sought from club members for a short gliding course in the forthcoming school holidays. The lead instructor will be Paul Schofield.

There is also a need for launch support crew, including tow pilot and/or winch driver at Drury to offer launches to other club members.

### **Dates to diarise:**

**Monday 19 April from 09h00 until Friday 23 April.**

The club website is now open for bookings. The decision to go ahead will be based upon prior website bookings and the availability of support crew to offer launch facilities.

In the event that the weather is unsuitable on any day where bookings are made, a relevant lecture will be offered instead.

Drury sunset – Gerard Robertson

***For sale/wanted***

**Ventus 2a:** S/N 10 Equipped with LX9050 with Flarm and control column unit. Maughmer winglets - Refinished in 2008. Imported ex USA - no major damage history. Dittel FSG71M com and Trig TT21 Mode S (ADS-B out capable). Aluminium top Cobra trailer, wing wheel, tail dolly and tow-out bar. Re wired with LiFePo4 batteries. My partner Malcolm wishes to sell his share as he is no longer based in Auckland. I will either keep my 50% share or sell outright (#2 choice). This aircraft is one of the best performing gliders in 15mtr class yet is a delight to fly, even when tanked, and exceptionally easy to handle. They land short and rig in minutes. MY PARTNER IS VERY KEEN TO SELL HIS SHARE. Contact me - Ross Gaddes - for more details.

Thanks to all those who have contributed to this edition. If there is anything you would like to share with the members via this newsletter, text or photographs, please e-mail me. I will be grateful for any contributions, whatever they may be.
