Club News

Tow Fee Increase

Given the huge petrol price (and other cost) increases and the fact that we have not revisited our tow fees in many years, the committee has decided to increase tow fees from \$15 per 500ft to \$17.50 per 500ft with immediate effect.

This means that a 2000ft will now be \$70, a 2,500ft tow will be \$87.50, 1000ft tow will be \$35. Tow tickets already purchased will continue to be honoured however new tow tickets will cost \$210. Coast tows will now be \$105.00

Weekend Reports

Saturday –reports

Due to inclement weather no flying was to be had.

Sunday –Reports

Due to inclement weather no flying was to be had.

Our Southern Correspondent Roger Read sent some photos of their flying at Omarama that took place over Queens Birthday Weekend.

The weekend was lots of fun with a good amount of flying achieved although no soaring. Saturday and Monday were sunny and relatively warm (highs of 8 and 14 after good frosts) but Sunday was a chiller...-2 for most of the day apart from when a brief break in the cloud allowed the sun to melt the frost.

Thanks Roger.

If you ever get the chance to head down there, it is top notch and surrounded by awesome and knowledgeable folk to learn mountain soaring. A very special place.
