#### Upcoming Events and reminders

#### **November Foxtrot Status – Remains out of Service for this Weekend**

Sailplane Services have advised that NF inspection hatches installation remain incomplete and therefore not likely to be ready for this weekend. So sorry not looking hopeful at all. We shall advise if there is an update.

Of course, club single seaters are still available and private gliding can continue over the weekend.

#### **No Flying on the following dates due to other Base operations.**

**2 Dec** Tandem para descents on Saturday 2 Dec from the C208 aircraft all day.

**9 Dec** The Base Children's Christmas Party is planned for 09 Dec and therefore no gliding ops, as there are some helicopter operations taking place.

## Weekend Reports

Duty Instructor reports for Saturday Nov 18

Duty Instructor reports for Sunday Nov 19

Well due to inclement weather there was no soaring action at all. Although on Sunday afternoon there was a crew who came out to remove the wings from NF for delivery to Sailplane Services in Drury. So, a big thank you for your strength, muscle and useful ideas.

Here are some soaring shots from Hawkeye while undertaking a soaring circumference of Lake Taupo at the recent Central District Contest.
